Re: TIFA, Ltd. Property in Millington, New Jersey
NJ DEP Phase II Dioxin Investigation

Dear Mr. Dickinson:

Pursuant to our telephone conversation of this morning, please be advised that you have National Gypsum Company's consent to enter the TIFA, Ltd. Property in Millington, New Jersey to conduct your Phase II dioxin investigation.

As you know, National Gypsum Company is currently in the process of conducting an RI/FS under a Consent Order with U.S.E.P.A. on the site and would appreciate coordination of your efforts with EPA, Region II in New York. The EPA lawyer involved is William K. Sawyer, Esq., Assistant Regional Counsel, Waste and Toxic Substance Branch, Office of Regional Counsel, United States Environmental Protection Agency, Region II, 26 Federal Plaza, New York, New York 10278.

Please contact me if I may be of further service to you.

Yours very truly,

Larry L. Worden
Division Counsel
